winner of the stonewall book award in nonfiction the first comprehensive history of lesbian gay bisexual and transgender america from pre 1492 to the present readable radical and smart a must read alison bechdel author of fun home intellectually dynamic and endlessly provocative this is more than a who's who of queer history it is a narrative that radically challenges how we understand american history drawing

upon primary documents literature and cultural histories scholar and activist michael bronski charts the breadth of lesbian gay bisexual and transgender history from 1492 to the present a testament to how the lgbtq experience has profoundly shaped american culture and history american history abounds with unknown or ignored examples of queer life from the ineffectiveness of sodomy laws in the colonies to the prevalence of cross dressing women soldiers in the civil war and resistance to homophobic social purity movements bronski highlights such groundbreaking moments of queer history as in the 1620s thomas morton broke from plymouth colony and founded merrymount which celebrated same sex desire atheism and interracial marriage transgender evangelist jemima wilkinson in the early 1800s changed her name to publick universal friend refused to use pronouns fought for gender equality and led her own congregation in upstate new york in the mid 19th century internationally famous shakespearean actor charlotte cushman led an openly lesbian life including a well publicized female marriage in the late 1920s augustus granville dill was fired by w e b du bois from the naacp s magazine the crisis after being arrested for a homosexual encounter informative and empowering this engrossing and revelatory treatise emphasizes that there is no american history without queer history

over the course of the last half century queer history has developed as a collaborative project involving academic researchers community scholars and the public initially rejected by most colleges and universities queer history was sustained for many years by community based contributors and audiences academic activism eventually made a place for queer history within higher education which in turn helped queer historians become more influential in politics law and society through a collection of essays written over three decades by award winning historian marc stein queer public history charts the evolution of queer historical interventions in the academic sphere and explores the development of publicly oriented queer historical scholarship from the aids crisis of the 1980s and the rise of queer activism in the 1990s to debates about queer immigration same sex marriage and the politics of gay pride in the early twenty first century stein introduces readers to key themes in queer public history a manifesto for renewed partnerships between academic and community based historians strengthened linkages between queer public history and lgbt scholarly activism and increased public support for historical research on gender and sexuality this anthology reconsiders and reimagines the past present and future of queer public history

the routledge history of queer america presents the first comprehensive synthesis of the rapidly developing field of lesbian gay bisexual transgender and queer us history featuring nearly thirty chapters on essential subjects and themes from colonial times

through the present this collection covers topics including rural vs urban queer histories gender and sexual diversity in early american history intersectionality exploring queerness in association with issues of race and class queerness and american capitalism the rise of queer histories archives and collective memory transnationalism and queer history gathering authorities in the field to define the ways in which sexual and gender diversity have contributed to the dynamics of american society culture and nation the routledge history of queer america is the finest available overview of the rich history of queer experience in us history

revealing the lgbtq lives of flamenco artists

feeling backward weighs the cost of the contemporary move to the mainstream in lesbian and gay culture it makes an effort to value aspects of historical gay experience that now threaten to disappear branded as embarrassing evidence of the bad old days before stonewall love argues that instead of moving on we need to look backward

named one of the best nonfiction books of 2019 by school library journal queer history didn't start with stonewall this book explores how lgbtq people have always been a part of our national identity contributing to the country and culture for over 400 years it is crucial for lesbian gay bisexual transgender and queer youth to know their history but this history is not easy to find since it's rarely taught in schools or commemorated in other ways a queer history of the united states for young people corrects this and demonstrates that lgbtq people have long been vital to shaping our understanding of what america is today through engrossing narratives letters drawings poems and more the book encourages young readers of all identities to feel pride at the accomplishments of the lgbtq people who came before them and to use history as a guide to the future the stories he shares include those of indigenous tribes who embraced same sex relationships and a multiplicity of gender identities emily dickinson brilliant nineteenth century poet who wrote about her desire for women gladys bentley harlem blues singer who challenged restrictive cross dressing laws in the 1920s bayard rustin dr martin luther king jr's close friend civil rights organizer and an openly gay man sylvia rivera cofounder of star the first transgender activist group in the us in 1970 kiyoshi kuromiya civil rights and antiwar activist who fought for people living with aids jamie nabozny activist who took his lgbtq school bullying case to the supreme court aidan destefano teen who brought a federal court case for trans inclusive bathroom policies and many more with over 60 illustrations and photos a glossary and a corresponding curriculum a queer history of the united states for young people will be vital for teachers who want to introduce a new perspective to america's story

an essential resource for young readers that details the people events and places that have shaped queer history in north america in this accessible resource middle grade readers can learn about the history of lgbtq activism in north america presented in an a to z format the entries cover a broad range of topics related to the fight for equality such as a is for activism p is for pride and s is for stonewall inn the book provides a rich hundred year long history and covers current topics relevant for kids today such as banned books and human rights for transgender people young activists will find themselves reflected in the stories of trans activist gavin grimm the history of gay straight alliances and much more this inspiring and much needed book provides an accessible introduction to an important topic

please note this is a companion version not the original book sample book insights 1 to understand the history of the united states you must understand the lives and cultures of the people who were here before the european colonists arrived the europeans came to the americas with a rigorous sense of how gender and sexuality should be organized and they attempted to eradicate non european gender normative customs through violence 2 the european invaders of america saw the gender norms and behaviors of the indigenous peoples as radically different from their own even though these cultures were completely different from one another the europeans found the native peoples alarmingly innocent and dangerously sexual 3 the european colonization of america brought violence against all native people not just those who violated european gender norms 4 the european christian view was that people who did not adhere to christian concepts of sexual behavior gender affect or modesty were less than human they were like animals

moby dick s ishmael and queequeg share a bed janie in zora neale hurston s their eyes were watching god imagines her tongue in another woman s mouth and yet for too long there has not been a volume that provides an account of the breadth and depth of queer american literature this landmark volume provides the first expansive history of this literature from its inception to the present day offering a narrative of how american literary studies and sexuality studies became deeply entwined and what they can teach each other it examines how american literature produces and is in turn woven out of sexualities gender pluralities trans ness erotic subjectivities and alternative ways of inhabiting bodily morphology in so doing the volume aims to do nothing less than revise the ways in which we understand the whole of american literature it will be an indispensable resource for scholars graduate students and undergraduates

lgbt individuals and families are increasingly visible in popular culture and local communities their struggles for equality appear regularly in news media if history museums and historic sites are to be inclusive and relevant they must begin incorporating this community into their interpretation interpreting lgbt history at museums and historic sites is straightforward accessible guidebook for museum and history professionals as they embark on such worthy efforts this book features an examination of queer history in the united states the rapid rate at which queer topics have entered the mainstream could conceivably give the impression that lgbt people have only quite recently begun to contribute to united states culture and this misconception ignores a rich history a brief overview of significant events in lgbt history highlights variant sexuality and gender in u s history from colonization to the first decades of the twenty first century case studies on the inclusion and telling of lgbt history these chapters detail how major institutions such as the chicago history museum have brought this topic to light in their interpretation an extensive bibliography and reading list lgbt history is a fascinating story and the limited space in this volume can hardly do it justice these features are provided to guide readers to more detailed information about the contributions of lgbt people to u s history and culture this guide complements efforts to make museums and historic sites more inclusive so they may tell a richer story for all people

this collection of essays takes stock of the new british queer history it is intended both for scholars and students of british social and cultural history and of the history of sexuality and for a broader readership interested in queer issues in offering a snapshot of the field this volume demonstrates the richness and promise of one of the most vibrant areas of modern british history and the complexity and breadth of discussion debate and approach it showcases challenging think pieces from leading luminaries alongside some of the most original and exciting research by established and emerging young scholars the book provides a plethora of fresh perspectives and a wealth of new information suggests enticing avenues for research and in bringing the whole question of sexual identity to the forefront of debate challenges us to rethink queer history s parameters

a little gay history of wales is the first book length historical examination of lgbt activism in wales laying out the campaign for equality in the twentieth century the campaigns against section 28 student and community activism and recent developments such as stonewall cymru it is an example of pioneering archival research drawing on never before studied records which charts the lives of ordinary lgbt men and women across wales it also features wide ranging historical analysis stretching

from the medieval period through to the modern day providing guides to changing language places where lgbt people met and socialised and their day to day experiences of coming out threats of persecution and acceptance

in the 1970s queer jews became excited by the developments of the gay liberation movement in both the us and europe until then they were not able to express their queerness in jewish communities and hoped for new inclusive spaces yet they quickly realized that the movement was not as welcoming as anticipated thus they started to organize in february 1972 the world s first queer jewish group became publicly visible in london with its symposium the jewish homosexual in society the jewish gay group began tackling the exclusion of non heteronormative jews in british jewish and queer communities soon after two more queer jewish groups formed beit haverim house of friends in paris and sjalhomo a neologism of shalom and homosexual in amsterdam besides their goal of emancipation these groups brought together their members based on shared experiences as both jewish and queer opening up much needed spaces for social encounters the groups also established a europe wide support network that enabled international collaboration for more than a decade this study archives these groups histories and that of their network by doing so it broadens prevalent narratives of europe s post world war ii jewry and queers the discipline of jewish history

copiously illustrated queer lens explores the transformative role of photography in lgbtq communities from the nineteenth century to the present day photography s power to capture a subject representing reality or a close approximation has inherently been linked with the construction and practice of identity since the camera s invention in 1839 and despite periods of severe homophobia the photographic art form has been used by and for individuals belonging to dynamic lgbtq communities helping shape and affirm queer culture and identity across its many intersections queer lens explores this transformative force of photography which has played a pivotal role in increasing queer visibility lively essays by scholars and artists explore myriad manifestations of queer culture both celebrating complex interpretations of people and relationships and resisting rigid definitions featuring a rich selection of images including portraits of queer individuals visual records of queer kinship and documentary photographs of early queer groups and protests this volume investigates the medium s profound role in illuminating the vibrant tapestry of lgbtq communities this volume is published to accompany an exhibition on view at the j paul getty museum at the getty center from june 17 to september 28 2025

the routledge history of the twentieth century united states is a comprehensive introduction to the most important trends and developments in the study of modern united states history driven by interdisciplinary scholarship the thirty four original chapters underscore the vast range of identities perspectives and tensions that contributed to the growth and contested meanings of the united states in the twentieth century the chronological and topical breadth of the collection highlights critical political and economic developments of the century while also drawing attention to relatively recent areas of research including borderlands technology and disability studies dynamic and flexible in its possible applications the routledge history of the twentieth century united states offers an exciting new resource for the study of modern american history

find the facts figures and connections you need on the internet this powerful reference tool is the most comprehensive reliable guide to internet resources for the lgbtq community more than just a guide to useful sites it also evaluates lgbtq mailing lists message boards search engines and portals the harvey milk institute guide to lesbian gay bisexual transgender and queer internet research provides background information as well as useful urls it covers the history and objectives of major sites the in depth interviews with leaders of the queer internet include discussions with barry harrison director of queer arts resources and sister mary elizabeth founder of aegis the harvey milk institute guide to lesbian gay bisexual transgender and queer internet research includes resources for a variety of academic disciplines including the humanities the social sciences law labor studies media studies transgender and intersex studies and more edited by alan l ellis co chair of the institute s board of directors the harvey milk institute guide to lesbian gay bisexual transgender and queer internet research is an indispensable tool for researchers community leaders and scholars

this pioneering collection provides for the first time an international and transdisciplinary reflection on youth history and queer sexualities and genders since the 1970s there has been an explosion in research focusing on lgbtq history and on the lives of lgbtq young people but these two research areas have seldom been brought together explicitly bridging lgbtq historical scholarship and contemporary queer youth cultural studies this book marks out pathways for thinking more about youth in lgbtq history and more about history in contemporary understandings of lgbtq youth examining histories from the nineteenth century through to the recent past contributors examine queer youth histories in continental europe britain the united states of america new zealand australia canada ireland india malaysia and hong kong

during the 2010s in turkey lgbtq activists groups and individuals persisted against social political and legal adversity erasure during the gezi park protests in 2013 a pride parade ban in istanbul in 2016 and indefinite ban on all lgbtq events in ankara in 2017 directly aimed at ending the activities visibility and existence of lgbtq organization in the two biggest cities in turkey this work examines the ways in which lgbtq activists engaged in talkback against these restrictions that impacted the lives of lgbtq individuals and how said individuals endured such adversity focusing on the elements of discourse used by lgbtq activists this work argues oppositional discourses need to address as well as remedy the various elements of normative discourses constructions of space time and affect in order to be deemed a talkback instead of merely perpetuating the normativities of oppressive discourses

a new definitive queer history of the commonwealth queer virginia is a long needed record of the courageous and creative ways that lgbtq people across the commonwealth have persevered and fought for their rights the history recovered here is remarkable and illuminating including the life of hannah nokes a black transgender woman who overcame severe discrimination in loudoun county during the 1930s the story of the hershee bar a historic lesbian bar in norfolk and longtime community focal point efforts to gather oral histories and produce a queer digital archive in the old capital of the confederacy and much more full of poignant and telling glimpses of lgbtq life through the decades this volume reveals generations of widespread prejudice and oppressive laws and the inspiring resilience that queer virginians brought to this struggle

data has never mattered more our lives are increasingly shaped by it and how it is defined collected and used but who counts in the collection analysis and application of data this important book is the first to look at queer data defined as data relating to gender sex sexual orientation and trans identity history the author shows us how current data practices reflect an incomplete account of lgbtq lives and helps us understand how data biases are used to delegitimise the everyday experiences of queer people guyan demonstrates why it is important to understand collect and analyse queer data the benefits and challenges involved in doing so and how we might better use queer data in our work arming us with the tools for action this book shows how greater knowledge about queer identities is instrumental in informing decisions about resource allocation changes to legislation access to services representation and visibility
